

## CLIENT TESTIMONIES

*"An amazing place. The staff at Soundview Pregnancy Services were the best. The doctor and the nurses were very knowledgeable, sweet, and understanding. They made me feel very welcomed. Overall, an amazing experience. I recommend this place to anybody looking for help"*

- Amanda

*"Went for the first time today and all the staff was incredible. So kind, thoughtful in all they did and supportive. I felt safe, taken care of, and really appreciated the many services they had to offer!"*

- Cassidy

*"They made me feel safe and at ease throughout the entire process. I highly recommend this clinic to anyone regarding a pregnancy."*

- Marcie

"I walked into the front doors of Soundview and was immediately in love with all that they are doing. It was a beautiful example of Christ's love for his children. As I walked into the sonogram room and heard stories of how hearts and minds were changed to keep a baby that was destined for abortion, I couldn't help but think about my own abortion decision and how my baby's fate would have likely been different had I known about a place like Soundview.

I decided to attend Soundview's post-abortive recovery program which I didn't know I needed. It was a beautiful experience of peace that we all gained from this class, a greater hope in heaven, and a love not only for our babies but also for the relationships that were formed between all of us ladies" -Morgan

## SOUNDVIEW PREGNANCY SERVICES

## 2020 ANNUAL REPORT

## YOU MATTER TO US

Lives are on the line every day...literally. When COVID-19 hit, it sent a shockwave throughout our society. Out of fear and uncertainty, this resulted in a huge increase in the number of women seeking abortions online every day. Abortion providers fought hard and succeeded in loosening FDA restrictions on these dangerous drugs, allowing abortion pills to be dispensed through the mail: NO sonogram, NO coaching, and NO emotional support!

Thankfully, Soundview Pregnancy Services is here to help women in crisis to choose life for their unborn child. As someone who supports Soundview Pregnancy Services, I want you to know how amazing you are, that in spite of a potential economic impact to your businesses and personal life, you continued to invest in saving lives.

As our society today argues and riots over whose life matters most, Soundview has always maintained the Biblical principle that EVERY life matters to God because He created each one of us in His image.

There has never been a more exciting time to be involved with Soundview Pregnancy Services. As you read through the milestones and accomplishments of this past year, please know that YOU are a part of the amazing transformative work being done on the Lord's behalf.

THANK YOU for supporting Soundview in our mission and vision to promote a culture of life! You are part of a God-honoring work that saves lives and impacts future generations!

Because every life matters,

**Doreen Jansson**

Executive Director

## WHY SOUNDVIEW?

### MISSION STATEMENT

The mission of Soundview Pregnancy Services is to uphold the sanctity of life by providing medical, educational, practical and spiritual support to women and men facing an unplanned pregnancy.

### VISION STATEMENT

Our vision is to promote a culture of life where abortion is unnecessary and unwanted.

## CORE VALUES

### 1. GOSPEL OF JESUS CHRIST.

The love of Christ compels us to honor and follow Him as our Lord in word and deed; to encourage, admonish and love one another, openly expressing our faith in the workplace and to be a faithful witness to our neighbors, freely sharing the gospel message of repentance, reconciliation with God and new spiritual life through Jesus.

### 2. DEPENDENCE ON GOD.

We are aware that we are called by God to work in a service that we cannot accomplish successfully on our own. We eagerly express our dependence on God through prayer, fasting, meditation on Scripture and acts of worship.

### 3. HUMAN SEXUALITY.

We affirm and promote God's call to sexual integrity for all people. Recognizing that sexual intimacy is designed for enjoyment only within biblical marriage between one man and one woman. We value both singleness and marriage as good gifts from God within which He empowers His people to live with integrity and to serve others.

### 4. CHERISHING LIFE.

Humanity is created by God and in His own image and is therefore of great value. Each human life is a gift from God, whose personhood we value, is worthy of respect from conception until natural death, without regard to perceived ability quality of life, or factors beyond basic humanity.

### 5. INTEGRITY.

All our dealings are honest, ethical and transparent. We value integrity, humility, authenticity, and responsible stewardship in our relationships with employees, volunteers, supporters, service recipients and the public.

### 6. SERVICE WITH COMPASSION.

We show love for our neighbors through practical acts of service, provided in a compassionate way that respects the dignity of every person. We promote justice for and give mercy to those who lack support emotionally, socially, financially, and/or spiritually, with a particular emphasis on service that empowers people to make life-affirming decisions.

## THREE PILLARS OF SOUNDVIEW

### EVANGELICAL

We believe that it is the heart of God to save unborn babies from the slaughter of abortion. Jesus said "The thief comes to steal, kill and destroy but I have come to give them life abundantly." John 10:10. This was Jesus' mission and it is our mission. We believe that Jesus is the answer that brings life, healing and wholeness to anyone who calls on His name. We are here as ambassadors for Christ, saving lives, loving women and caring for their needs.

### MEDICAL

We believe that providing professional and personal medical care, at no cost to our clients, is a huge burden lifted off the shoulders of a woman who is already unsure of what her next steps should be. Our medical staff are professionals with decades of experience that have been called to serve at Soundview. They serve each woman with dignity and respect wrapped in care and compassion.

### EDUCATIONAL

We believe in the power of education for the purpose of equipping young women to become great Moms and for young men to become great Dads. We have a full line of Nurse-led pregnancy and newborn care classes as well as numerous video based topics that our Client Advocates can use to coach her along for up to 2 years after her baby is born. Through our partnership with Next Step Dads, men are mentored through their pregnancy decision and in fatherhood.
