Give a Child a Future

## 2023 Annual Report

*July 2022 - June 2023*

# Words from our CEO

"Blessed are those who have learned to acclaim you, who walk in the light of your presence Lord. They rejoice in your name all day long; they **celebrate** your righteousness. For you are their glory and strength and by your favor you exalt our horn. Indeed, our shield belongs to the Lord." Psalms 89:15-18

Dear Friends of Soundview,

As I reflect on this year, I am in awe of the transformational work of the Lord in and through you, our board, staff, and volunteers. As an investor in Soundview, you are literally an "agent of hope" for the women and men we serve. We give God all the glory for the wonderful works He has done, but I want to thank every individual who loved, served, prayed, gave, shed tears of sorrow for those who are hurting, and tears of joy for those whose lives were saved physically and for eternity. We work hard each day to bring life, hope and healing to our community and we could not do it without you. I'd like to share a few words from Michael Spencer, President of Project Life Voice.

*"As a full-time pro-life speaker, I have the privilege of getting acquainted with many pregnancy centers throughout the United States. Each of these are a blessing*

"Learn to do good; seek justice, correct oppression;  
bring justice to the fatherless,  
plead the widow's cause." Isaiah 1:17

*and have their own strengths, but I can say without reservation that there are few like Soundview Pregnancy Services. Their gospel-centered ministry emphasis shapes everything that they do and the warmth and tenderness with which they minister to moms (and dads) who often feel cornered by life's circumstances is evident to all. On the day I toured one of their three locations, a young mother with whom they had been ministering to through their abortion pill reversal program called in to let them know that her little one had just been born. This mother's joy was cause for great celebration for the entire Soundview staff who helped save her child from the deadly effects of the abortion pill. What a powerful ministry Soundview Pregnancy Services is!"*

Thank you and may God abundantly bless you as you rejoice in His name and celebrate His righteousness for the good work being done through you and Soundview.

Blessings,

## Three Pillars of Ministry

### Evangelical

We believe that it is the heart of God to save unborn babies from the slaughter of abortion. Jesus said "The thief comes to steal, kill, and destroy but I have come to give them life abundantly." John 10:10 This was Jesus' mission and it is our mission.

### Medical

We believe that providing professional medical care at no cost to our clients is a huge burden lifted off the shoulders of a woman who is already unsure of what her next step should be. Our on-site affiliated medical professionals serve each woman with dignity and respect.

### Educational

We believe in equipping young women and men to become the best parents they can be. We provide relevant education including nurse-led classes, parenting coaching for up to two years after the baby is born, and programs for new fathers as well as workshops for students and young adults.

## Celebrating 2023

- Opened Riverhead Location!
- Built Soundview University team of educators and launched our Sanctity of Life Kids Curriculum.
- Certified four staff members as Sexual Risk Avoidance Educators, opening the doors to teach in private and public schools in 2024.
- Hired five new staff including two medical professionals, one social worker, and two support staff members.
- Expanded Men's Programs to including in-house coaching for expectant fathers during their partner's medical and clinical assessments.
- Provided access to abortion pill reversal for 22 women.

## Lives Transformed

- Over 70% of the women served this past year were at high risk for abortion; either stated their initial intentions were abortion or that they felt coerced to choose abortion prior to coming to Soundview.
- Of the Gospel Presentations given to individuals, 35% claimed to already have a relationship with God and another 35% made a commitment to the Lord during their visit!
- 12 individuals received baby shower celebrations, each including \$500 - \$1000 worth of baby gifts.

“...that’s when we knew, the spiritual battle over their child’s life was happening right then and there.”

“Three years into John and Katie’s relationship, Katie found herself staring at two pink lines that would change their lives forever. They felt unready for marriage or parenthood and they didn’t want to bring shame on their families and church community. Although they knew abortion was wrong, they tried to convince themselves otherwise. Thoughts raced through their mind, “it’s not a baby yet” “The fetus is hardly developed”. They made the decision together to find a clinic online and schedule an abortion procedure. Thankfully, God had other plans in mind...When they searched for abortion clinics, they found Soundview’s website instead. When they came through our doors, they were meet with grace! Katie and John were given an opportunity to see their baby for the first time and to their surprise, their baby was developed far greater than they had anticipated. Overwhelmed by the truth revealed to them, they began to discuss their other options with the counsel of our team. As Katie met with me, a Patient Advocate, and

John met with Dave, our Men’s Ministry Director, the Lord began to guide their decisions. Scriptures were shared with them and prayers were prayed over them! Katie and John were connected to a trusted adoption agency and received further counsel yet, they were still torn between their options. They asked for a few minutes to chat alone and that’s when we knew, the spiritual battle over their child’s life was happening right then and there. Dave, myself, and our Social Worker, Kerri, began to pace the hallways of the office, storming the gates of hell in prayer and declaring LIFE! As we interceded, just on the other side of the door, Katie and John were making one of the biggest decisions of their lives. Moments passed by as we continued to pray and eventually the door opened. They were finally at peace in their decision! Their decision: Life!

God’s redemptive intervention changed the hearts of this young couple so that one of His unique and special creations could come into this world and have a chance to grow up to know Jesus and serve Him. I’m grateful to be a vessel of the Holy Spirit in their story and the stories of others at Soundview and I’m grateful for you! Your support saved Katie and John’s baby from abortion and led them back into the arms of their heavenly Father. Thank you!”
